Customer Reviews

This is not Ravel's original score. It is only of interest to purchasers of the arrangements of Ted Ricketts. Why on earth is this the only available score of Bolero on ?

[...] which would make you think you're getting the original full score of Ravel's Bolero, what you will get is an adaptation for student orchestra (strings, piano and 2 percussion) as arranged in 2003 by Ted Ricketts. As an indication of what to expect from this score, the cover page lists a suggested performance time of 5'10", which--as Bolero lovers know--is far short of the original 13'-16' playing time. This is stapled sheet music without cardboard covers and is of value only to the conductor of a student performance. Additionally, I had ordered this from .com on May 21 and it was delivered on August 2.
