RARAMURI SOULS (Smithsonian Series In Ethnographic Inquiry)

Synopsis

In his sensitive portrayal of the Raramuri (or Tarahumara) Indians, Merrill examines the ways in which a society, lacking formal educational institutions, produces and transmits its basic knowledge about the world. --This text refers to the Paperback edition.

Customer Reviews

This is a fine ethnographic study of the Raramuri people, their history and world views. If you plan to travel to the Copper Canyon area, where you will have a chance to interact with the Raramuri, this is a great way to gain an understanding of the people and their culture. I found it easy to read and more interesting than many scholarly works. It includes all of the details important in a good anthropological study.
