Synopsis

The Panorama hispanohablante suite covers everything you need for the two year ab initio Spanish course for the IB Diploma programme. Designed to support IB ab initio Spanish students, it is the second of two student books covering the two year course. International in approach and containing material designed to engage older teenage learners, it requires students to think and reflect at a level suitable for an IB Diploma student while placing a strong emphasis on developing intercultural understanding and on Spanish as a world language. ToK and CAS are fully integrated into the learning and all language is taught and practised in context.
