Animals/Los Animales (Barron's Bilingual First Books) (Spanish Edition)

Synopsis

Cuddly, colorful teddy bears teach new words to very young children-and they do it in two languages! Six titles give toddlers an early start in learning a foreign language at the same time that they are learning their own. The left-hand page gives picture-caption word in English and the right-hand page gives the Spanish equivalent.

Shipping Weight: 12.6 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars [See all reviews](#) (9 customer reviews)

Best Sellers Rank: #102,976 in Books (See Top 100 in Books) [#1 in Books > Libros en espaÃ±ol](#) [#1 in Books > Libros en espaÃ±ol > Ciencia > Ciencias BiolÃ³gicas](#) [#3 in Books > Libros en espaÃ±ol > Infantil y juvenil > Referencia y No-FicciÃ³n](#) [#59 in Books > Libros en espaÃ±ol > Infantil y juvenil > Animales](#)

Age Range: 2 - 5 years

Grade Level: Preschool - Kindergarten

Customer Reviews

I'm a mother of a 3 year old girl who is bilingual and loves books. This book is one of her favorites, I had given it to differen children as presents. I love this book because it's colorful and helps me teach my daugther the names of the animals in spanish. I also teach spanish to children and I found most of my students like it, parents also like it because it has the phonics of the words, and they don't need to speak spanish in order to read it.

I have purchased several books in this series to work with in a pre-school. The children love them. The illustrations are very well done and the vocabulary is extremely simple - one word to a page. Perfect for the child who has not yet learned to read. Highly recommended if you'd like to introduce your child to french as early as possible.

"Los Animales" es un libro especialmente orientado a bebés o niños bien pequeños, que se distingue y sobresale por la claridad y calidad de sus dibujos. Si bien la presentación es sumamente sencilla, sus dibujos son muy coloridos, con figuras bien definidas y atractivos para los más pequeños. Permitiéndoles hacer una fácil asociación entre lo que ven y los animales que conocen de la vida real. En cada página se presenta un animal con su nombre y figuran las dos posibilidades femenino/masculino, lo cual permite una mayor participación e imaginación de historias para ser contadas o leídas por niños. Realmente vale la pena tenerlo en la biblioteca de cualquier pequeño o y más si este es un fiel amante de los animales.

This is a nice little book that reinforces vocabulary (in English and in Spanish) for names of 11 different animals. The illustrations are simple and happy. Tips on pronunciation of the Spanish words are included so even beginners can feel confident that they are saying the animals' names properly. My 22 month enjoys identifying the animals in both languages very much, and she thinks some of the pictures are funny.

I have been looking for books to share with my baby, to ensure she grows up bilingual, and Clare Beaton's series of books have been delightful. Even for a newborn, the bright contrasting colors enchant her, and I can prompt myself with the book's vocabulary.
