This is truly an incredible piece of 'Buffy' memorabilia for fans by Titan comics. It's a full color, glossy collection of the best articles written for the 'Buffy The Vampire Slayer' magazine. It's packed with photos and interviews with the cast, writers and creator Joss Whedon. It includes a detailed episode guide, a 'Top 10' of Buffy lists, trivia and detailed character histories with each characters stand out moments and episodes. It's a fantastic addition to any 'Buffy' fan's library and a follow up volume is due this March. Thank you Titan for releasing this amazing collection!

As a newer Buffy fan that wasn't around when the magazines were published, this book is a thrill! I love the beautiful, full color, glossy pages. There are interviews with Joss and the actors that I'd never read before. This is a very fun read and I recommend it for any Buffy fan!
