Everyone knows Garfield, the fat and lazy orange cat. Garfield has never failed to make me laugh. One thing that I greatly appreciate about Garfield is how Jim Davis always manages to keep Garfield funny without using dirty and obscene material and as opposed to a majority of cartoons today that try to be funny by being dirty, Garfield is funny in a good clean way. Join Garfield's safari of fun as he eats more Italian food, picks on Odie and Jon and even has another birthday. This volume contains Garfield comic strips from 4-27-08 to 11-22-08.

It's Garfield on the internet! I've still got book number one from back in the dark ages, but now I'm collecting his new books online and loving it. How lazy can I get...or, as I like to think of it, how much more efficient can I get? :) Garfield would be proud. Buy a Garfield book and have a laugh!

The Garfield series has been up and down. Most people thought the series was done after the 11th book. However, Jim has found new ways to keep the series alive with the new TV series or books on Oide. I would like to see more characters (Adlene, Doc boy). I just wish they would put them in digital form. I would love to be able to pull them out and laugh wherever I am.

I have been collecting Garfield books since the beginning and have all issues to date. What can you say about Garfield? Either you're a fan or you're not. To me, they're great.

Jim Davis' Garfield is still able to make us laugh after all these years, and doesn't show any slowing down. Looking forward for Book #53!!

I don't like Garfield, I LOVE him. Garfield is fat and funny. In this book he pulls some pretty funny stunts. I really really really really like Garfield. I could just hug him. Although he would be pretty heavy. GARFIELD RRROOCCCKKKSSS

I've been a collector of Garfield ever since it first started in 1977. I'm a big fan of Jim Davis. I'm sure I'm not alone as a Garfield collector but I really do treasure them books. BRENT COCKRELL

Over the years Garfield always puts a smile on my face with every page I turn. It still is one of my very favorite comics and would recommend it to anyone who wants to have fun while on a break!
