## Synopsis

Another beloved installment in the best-selling series. Let's face it: Greg Heffley will never change his wimpy ways. Somebody just needs to explain that to Greg's father. You see, Frank Heffley actually thinks he can get his son to toughen up, and he enlists Greg in organized sports and other "manly" endeavors. Of course, Greg is easily able to sidestep his father's efforts to change him. But when Greg's dad threatens to send him to military academy, Greg realizes he has to shape up. . .or get shipped out.

Mis hijos hablan Español pero no han aprendido a leer ni escribir. Compre este libro para animarlos y si funciona! los dos lo leyeron y les ayudo a mejorar su vocabulario y comprensión.

The Jeff Kinney Spanish series of Diary of a Wimpy Kid, introduced my 7 year old (back then, he is 9 now) son to reading. He is an avid reader because of this book series. I love it!

I had been trying my daughter to get interested in reading with about luck but since she first read Greg's Diary she wants to be reading them all the time and I feel really happy

My nephews had read the 1st book of these series and they kept talking about the book all the time, so I decided to buy it for them, they went crazy about the gift.

I recommend this product. I bought it for my nephew and he loved it. I bought the entire collection. Nothing like encouraging children and teens to read.

My son read this in one afternoon, he loves all the Greg diaries series and has read them all. Can't wait till No.7 is sold in Spanish.
