Diario De Nikki # 3 (Dork Diaries) (Spanish Edition)

Synopsis

Nikki will do just about anything to prevent her classmates from finding out that she is attending the school for free because her father is the school's exterminator. She thinks the timing is perfect when she hears about a talent show that is offering winners a free scholarship to the school. After all, she loves to sing and dance and she could let her dad off the hook before anyone discovers she is related to the guy with a giant bug on his van! What could possibly go wrong with this plan?

Book Information
