With technology being as advanced as it is, I'm not sure why it's a requirement from some professors to carry around paperback books that are already outdated. You can find the new Federal Civil Rules online and save yourself the money. My \$0.02

It does what it is supposed to but lacks a few rules that are referenced in my Civ Pro book, (the 1700's). But overall, it's handy for class and is way better than the giant one my roommate has to cart around!

Who knew!? The contents of the book were exactly what I expected them to be when I placed the order. Federal Civil Rules Booklet. It completely makes sense that the Federal Civil Rules would be covered in this book. Right on!

I am very excited to begin my Paralegal course, and even more satisfied with the cost and condition of the book. Brand New as stated and delivered right on time!

This is a book I needed for a paralegal program. I perused it. It's small, but packed with federal rules. I will need it soon and glad to have it.
