While I have all four of these books in Paperback and therefore have had no need to buy this book I have looked through this book and I think buying this one is a MUCH better idea than buying them separately. This book includes pictures, Drawings by Al Hirschfeld, Cut-Lyrics and more. All four of the shows are purely genius and provide you with laughter while provoking thoughts. This is a must for all Sondheim fans and musical fans and anyone interested in 4 great shows: *A Funny Thing Happened on the Way to the Forum*, *Sunday in the Park With George*, *Sweeney Todd*, and *A Little Night Music*.

This book is amazing. It has almost everything that you could want in a book like this. What does it include do you ask? WELL! It includes the scripts to *A Funny Thing happened on the way to the Forum*, *A Little Night Music*, *Sweeney Tood*, and *Sunday in the Park With George*. In addition to that it also has Original Hirschfeld drawings, Lyrics to cut songs and where they would go in the script,

Costume Designs, Production Photos, Cast Lists from Original, Touring and Revival Casts, and also the discography for each of the shows. My only question... Where is volume two??? I would like to see the following shows put into a collaborative edition like this: Into the Woods, Assassins, Company and Follies. WOOO Amazing and entertaining. Recommend this to all musical lovers everywhere!

The scrips are just like what you would get if you cot just one. more than 600 pages of pure script. I love it!

If you're involved with musical theater these four titles are a must for your reference library. If you love these shows and want to revisit your favorite moments, this is a great way to do it. And at this price you sure can't beat what you get.
